DEALERS IN AMERICAN COINS AND MEDALS, ESPECIALLY IN FINE AND RARE SPECIMENS, PAPER MONEY, NUMISMATIC BOOKS. COLLECTIONS CATALOGUED FOR SALE BY AUCTION

31 October, 1902.

Mr. Robert C. H. Brock,

Dear Sir:

We have for sale, price $30 a sealskin Eskimo canoe about 12-15 feet in length which was brought home from the Artic by Dr. Kane about 1855. We purchased it at the sale of Long's Museum many years ago and it is thoroughly authentic. We thought you might desire it as an object for the museum and if so, we would be pleased to sell it to you.

We have in stock some very fine pioneer gold coins of the United States. Would you like to see them and also, would you wish a nice lot of European crowns on approval?

Could you at this time accept the two gold coins of Westphalia which we purchased last spring under the impression that you had decided to take them? If so, we would be pleased to bring them to your office. We also have a 1792 disme in silver of which but one other specimen is known and a perfectly uncirculated superb specimen of the Carolina elephant half penny, 1694.

Mr. H. Chapman, Jr. has been confined to the house for three weeks from a trolley accident or he would have called to see you personally. If we arrange the best specimens we have of each of our continental and colonial notes and put in envelopes, pricing each separately, would you care to examine them? We would thank you for an early reply as we have a little time on our hands now which we would like to utilize on this class of work.

A collection of postage stamps was received from the west a few days ago which the owner says contains about $300 worth and we can sell it for $100. If you would like to look it over and could do so in a few days we would be pleased to leave it at your house or office but we would have to have an early reply as the gentleman is desirous of receiving an answer. Would you care to entertain the purchase of the Anschut collection?

Respectfully

S. H. & H. Chapman

Dear Sir

I regret to say that I am not now buying anything
